CATALOGUE

There are some conventions used to compile this catalogue.

Items are listed in alphabetical order and stored unbound unless otherwise stated.

The word 'The' is omitted from listings when it appears at the beginning of a title.

The symbol – indicates a continuous run of issues or volumes

The symbol / indicates a break in a run of issues or volumes.

Material is available at the Museum and Study Centre, when open. Photocopies of articles may be ordered for research purposes. If you wish to obtain copies please order by requesting, precisely, the journal/magazine name and issue number/date, followed by stating, clearly, the page number, article, drawing, photograph, etc.

There is a fee payable for photocopies plus postage where applicable. Currently this is 20p per A4 sheet for members, 25p for non-members. Items will be posted, folded, in an A5 envelope unless otherwise requested.

To order copies please forward the requested information, together with your name, address, membership number (where applicable) and a cheque. Please send either a signed blank cheque, or a "not to exceed" cheque, payable to HMRS, with your order, at the address below.

I hope that members who may have items to donate can see what we still require.

Please do not send any magazines or journals without prior arrangement.

If you are able to please make use of, and enjoy, the facilities we have on offer at your study centre.

Thank you.
