Serials Collection Catalogue

HMRS Library, Serials Collection Catalogue.

Introduction.

The Serials Collection Catalogue in the Library is also on-line for all members to peruse. Two points follow from here.

Firstly by examining the updated list of Serials, members can see what is available for research at the Centre, or to be photocopied. If you wish to avail yourselves of this facility please order by requesting any page, article, drawing, photograph, etc. from any of the serials listed herein. Currently this is 10p per A4 sheet, plus postage & packing. To order copies, please let me have the serial title, date, issue number, page number(s) and title of article; together with your-name, address, membership number and a cheque. Please send either a blank cheque, or a "not to exceed" cheque to me, with your order, at the address below.

Secondly, I hope that members who may have items to donate can see what we still require. As before Please do not send any magazines or journals without prior agreement. Thank you.

Please make use of and enjoy the facilities we have on offer at your Study Centre.
